

Dear families,

As we approach the end of the half term we look forward to a really exciting last week and second half of the Spring term.

Next week, we look forward to Online safety workshops for families on both Monday evening at 6pm and Wednesday morning at 09.15am. I will be running a 'Power of reading' workshop at 2pm on Tuesday next week discussing the importance of reading to your child from pregnancy to Year 6 and beyond.

A selected team of Year 5&6 children will take part in the Launceston area football tournament on Tuesday, as well as Nursery and EYFS children visiting the fire station on Wednesday. Parent book look is on Friday between 08.45 and 09.15 and to finish the day, Magic Martin will perform for all children on Friday afternoon before the FoLS Valentines Disco on Friday evening.

This is an amazing week of opportunities and learning which no one will want to miss.

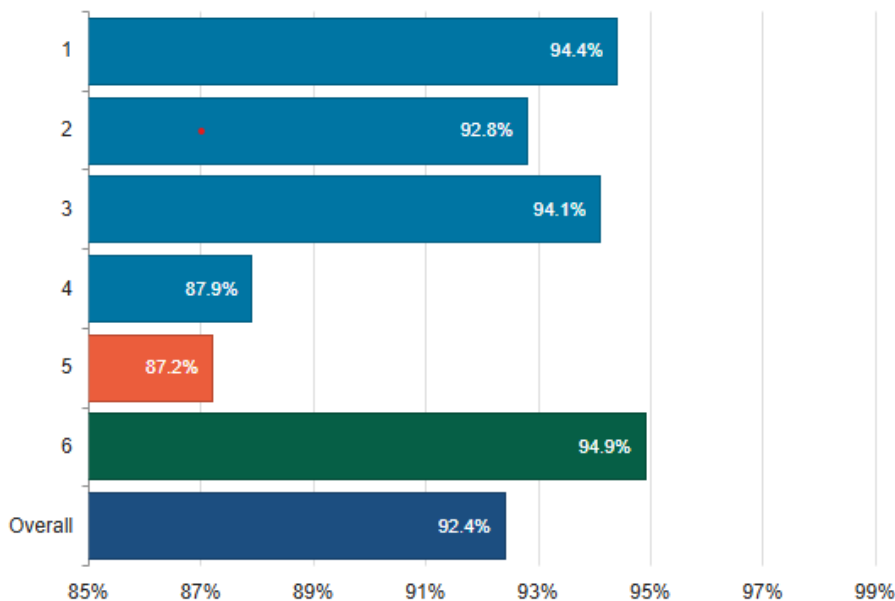

This week we have agreed a Holiday and Food club with Plymouth Argyle during the Easter break in April. More details to follow, soon.

Have a great weekend!

Adam

We are thrilled Normal Magic are in our school and working with us!

Simply scan this QR code and complete the request for contact form. We will contact you within 2 working days to arrange an appointment.

About Us

SAFE Foundation is a nationally focussed charity building a world free from the impact of trauma.

Since our launch in 1974, SAFE Foundation has transformed from a federated branch of Women's Aid, to an independent local domestic abuse charity, to where we are today.

We are led by a specialist team, people with lived experience of trauma, a deep understanding of the dynamics of trauma and the capability to help people recover from its effect.

Mission and Vision

We're building a world free from the impact of trauma. Our mission is to:

- provide therapy and training to support families and individuals to break the cycle of abuse
- be a leading voice in trauma recovery through cutting edge research and innovation
- drive an ecosystem wide approach across communities and supporting agencies

We believe for change to be effective it takes a whole system to work cohesively and this is true of the families we support and the stakeholders we work with.
